

graffiti removal limitations...

Most types of graffiti removal/abatement can be performed by the property owner or the City's abatement crews within 48 hours, including private property and alleys. Surfaces that require more than just a paint out will take longer to abate.

PRIVATE PROPERTY

| Surface | Type of Removal |
|---------------------|--|
| Building | Paint / Sand / Water blast (if virgin surface) |
| Brick wall | Paint / Sand / Water blast (if virgin surface) |
| Concrete block wall | Paint / Sand / Water blast (if virgin surface) |
| Driveway | Sand / Water blast |
| Fence | Paint |
| Garage door | Paint |
| House | Paint |
| Parking lot | Paint on Wall / asphalt sealer on floor |
| Stucco wall | Paint |
| Wall | Paint |
| Window | Chemical when possible |

Alleys

| Surface | Type of removal |
|---------------|-----------------|
| Wall | Paint |
| Garage / Door | Paint |

In the case of public property, graffiti removal can ONLY be performed by the City.

Public Property

| Surface | Type of Removal |
|-------------------|---|
| Bridge | Paint |
| Curb | Sand / Water blast |
| Parking Lot | Paint on Wall / asphalt sealer on floor |
| Pedestrian Tunnel | Paint |
| Red Curb | Paint |

graffiti removal limitations...
